Bowlers must be certified through a Massachusetts association for the 2017-2018 bowling season.
- 2. PARTICIPATION**-- Entrants may participate as many times as they choose. The first six (6) games will be the first entry. Any person who bowls under an assumed name, or assumes the name of another, shall both individually and collectively forfeit their entry and prize money. No entry money will be refunded if it is discovered that an individual has failed to comply with all the rules and eligibility requirements of the United States Bowling Congress and this tournament.
- 3. WALK-IN ENTRIES** -- All walk-in entries must be paid in cash. We strongly suggest entering by mail. All walk-in and re-entries will be served on a first come basis, space permitting. Walk-ins and re-entries must register one half hour before a squad starting time at the registration desk.
- 4. AVERAGES** -- Each participant must use their highest USBC certified average for 21 games or more for the 2016-2017 bowling season (see your association Yearbook for averages). If the bowler has no certified average for the 2016-2017 bowling season, they shall use their highest certified average the 2017-2018 season for 21 games or more as of October 28, 2017. Entrant must provide proof of that average with the league sheet dated if using 2017-2018 average. Entrants without a certified average will be bowling scratch with zero handicap. **READ USBC RULE 319 CAREFULLY.** It is the bowler's responsibility to be certain that their correct entering average is used. The use of an incorrect average or failure to report a correction prior to the completion of the first game of a series shall be grounds for disqualification of the score, if the submitted average is lower than the actual average, or cause the score to be based on the submitted average if it is higher than the actual average.
- 5. HANDICAP** -- Handicaps will be 100% of the difference between the entrant's average and a base of 230.
- 6. PRIZES** -- All prize money shall be returned 100% on a ratio of 1 per 7 entries. All prizes are awarded on a handicap basis only.
- 7. TIES** -- Tie scores for first place only will be decided by a three game roll-off at the tournament site. The tournament director shall decide the date and time of the roll-off. In the event of any ties for any other position, prize money will be split equally between the adjoining places.
