RULES FOR THE OPEN TOURNAMENT & WOMEN'S TOURNAMENT

1. This tournament will be governed by the USBC rules, MTCUSBC bylaws, and as hereafter set forth.
2. Only members of the Massachusetts Tri-County USBC may participate in this tournament. Members of another association who are current members of the MTCUSBC may enter this tournament if they have bowled 21 or more games in a MTCUSBC league.
3. No more than **two** individuals who are members of, or have applied for membership to, a bowling organization identified as "professional" as of date of participation in this tournament may compete on the same four-person team. Also no more than **one** bowler in the above category may compete on the same **doubles** team.
4. Multiple participation is allowed in the team event. Participants may enter this tournament with as many teams as they wish, however, not more than two (2) members in a four (4) person team bowling together may place more than once on the prize list for position standing.
5. Minor events are the doubles & singles events. Any bowler bowling doubles must bowl singles on their first participation in the minor events. Additional participation in the minor events must be scheduled prior to the closing date but the bowlers have the option do either or both of the minors after their first participation. Exceptions will be allowed for a physical hardship if the tournament office is notified in advance.
6. Multiple participation is allowed in minor events, but to cash a bowler must have a different partner whenever entered in the doubles event, and may place on the prize list only once with the same partner wherever qualified. The individual may be listed on the singles prize list only once. **A bowler's first participation score counts towards all events.**
7. **SINCE MINOR EVENTS ARE SCHEDULED AT THE SAME TIME AS TEAM EVENTS; USE EXTREME CAUTION IN REQUESTING TIMES.**
8. Walk-in's & re-entries are allowed subject to availability and must pay the cost of the event in full and in CASH, 30 minutes prior to the start of any squad for that squad.
9. Prize fees returned 100 percent; 75 percent to handicap, 25 percent to scratch for each division. Prize ratio is 1 in 8 in aggregate for teams, doubles and singles. All events prize ratio is 1 in 15 in aggregate. Bowlers qualifying for both handicap and scratch prizes will be awarded the greater amount. If amounts are the same on both prize lists, bowlers will be placed on the handicap prize list.
10. DIVISIONS: OPEN: Scratch/Handicap divisions for two classes (200 & over & 199 and under) teams, doubles, singles and all events.
WOMEN'S: Scratch/Handicap divisions for two classes (155 & over & 154 and under) for teams, doubles, singles and all events
Divisions can include bowlers above and below the class separation to form teams and doubles. The sum of the averages divided by the number of bowlers per event (unrounded) will determine the division by event.
11. Jackets: OPEN: to the open handicap team with the highest team score w/hdcp across classes
WOMEN'S: to the women's team with the highest team score w/hdcp across classes
12. ENTERING AVERAGES: (Averages are assigned in order based on the criteria below. Averages are the highest regardless of hand used or multiple abilities, bowlers receive only one average for the tournament
 - 1- Entrants will use the highest winter league regular average, based on at least 21 games for the 18-19 season. NOTE: current average based on 21 or more games as of January 1, 2020 shall be used if that average is ten pins or more above 18-19 season.
 - 2- If there is no regular average based on 21 or more games for the 18-19 season, the highest current average based on 21 games or more as of January 1, 2020 shall be used.
 - 3- Bowlers without an average from above shall use a 2019 regular summer league average based on at least 21 games.
 - 4- Bowlers without an average from above shall use the higher of a sports league average from the 18-19 winter season OR the 2019 summer season based on 21 or more games. This average will be converted to a regular average from a sport average.
 - 5- All others bowl with a scratch 240.
 - 6- Tournament management reserves the right to rerate bowlers or assign averages when verifiable information is available.
13. **It shall be the bowler's responsibility** to verify the accuracy of his/her average whether originally submitted by the bowler, the team captain or others. Failure to use the proper average shall disqualify handicapped scores if the submitted average is lower than the actual average thereby resulting in more handicap. Prize winnings will be based on the submitted average if it is higher than the actual average. Correction of average can be made up to the completion of the first game of the first series bowled in this tournament.
14. Each individual must check in at least 30 minutes prior to squad time and be prepared to show cards. Substitutions may be made at this time.
15. Handicap is based on 90 percent of 240 scratch with no maximum. (Three-game series method).
16. All participants must comply with USBC rule 319d and 319e
17. Any contestant under 18 years of age must furnish the tournament director with a signed parental consent form before competing. Failure to do so, disqualifies all scores the bowler rolled or helped to establish, as well as prize monies in connection with these scores.
18. Entry must indicate 1st and 2nd choice of dates and squad time for each event. Entries close the Sunday prior to the first squad start date.
19. **ALL PARTICIPANTS MUST WEAR A COLLARED / MOCK COLLARED BOWLING LOGOED SHIRT (NO T-SHIRTS). FULL LENGTH SLACKS, JEANS, SKIRTS OR NEAT DRESS SHORTS ARE PERMITTED (No sweats or athletic gear). HATS OR TORN JEANS WILL NOT BE ALLOWED. NO ELECTRONIC DEVICES ALLOWED IN THE SETEE OR ON THE LANES.**
