MTCBA
Hall Of Fame

I have had the pleasure of bowling with and against John for many years in leagues, City and State sponsored tournaments and NEBA. John has always shown integrity and held to the tenets of good sportsmanship and fair play. Further, he has pushed for improvement not only in his own performance but in those around him who sought advice and in the offices that he has held within the organization. He is an excellent team mate and an estimable opponent.

I am honored to recommend John Raymond for installation in the Mass Tri-County Bowling Association Hall of Fame.

Sincerely,
