- d Items a, b, and d of category 1 must be given consideration:
 - a Bob Ayers has been a member of MTCBA since 1970, a total of 29 years.
 - b Bob Ayers has never been suspended.
 - d Bob has an attitude appropriate for consideration in the Hall of Fame. He is a courteous, dependable, and respectable bowler on and off the lanes. He knows how to enjoy the fruit of victory and the grace of defeat. His work with YABA and throughout MTCBA shows his willingness to help others enjoy and improve in the sport of bowling. Bob has had many of his previous juniors approach him as regular sanctioned bowlers saying how things were and how much better they are (average wise, etc.) then Bob. Watching these and many others who have known Bob over the years, there is a great admiration in what he has done. He holds a good humor and knows how to keep the spirit of bowling with teammates.
